RE: Clinical Lead Laboratory Approval Number C10005

Dear David J. Thornton, PhD:

The Ohio Department of Health (ODH), Lead Poisoning Prevention Program has reviewed your Clinical Lead Laboratory application and your laboratory has been found to meet all of the criteria for approval as specified in Chapter 3701-82 of the Ohio Administrative Code (O.A.C.) Your laboratory approval number is C10005 and the approval will expire on 3/27/2009.

O.A.C. 3701-82-02 (G) requires you to notify ODH within twenty four hours if for any reason your Clinical Laboratory Improvement Amendment (CLIA) certificate is denied, revoked, suspended or limited. Additionally, you shall notify ODH within five business days each time the laboratory's CLIA certification as a clinical laboratory is renewed or modified. O.A.C 3701-32-14 (B) requires you to submit a copy of your tri-annual proficiency testing results performed pursuant to the CLIA certification program within five business days of receiving the results.

Please submit the above required information by one of the following methods. First class mail to the address listed below, facsimile 614-752-4157, or electronic mail at [lead@odh.ohio.gov](mailto:lead@odh.ohio.gov).

In addition, you are required to comply with the electronic reporting requirements outlined in O.A.C. 3701-30-05. Questions regarding this reporting should be directed to the Surveillance Coordinator for the Childhood Lead Poisoning Prevention Program at (614) 728-6818.

In accordance with Chapter 119 of the Revised Code and O.A.C. 3701-82-02 (K), the Director may propose to refuse to issue or revoke the approval of any Clinical Laboratory if at any time the laboratory does not meet the requirements of the O.A.C. or Chapter 3742 of the Revised Code.

If you have any questions or concerns regarding this letter, please contact Pam Blais at (877) 668-5323.

Sincerely,

  
Alvin D. Jackson, M.D.  
Director of Health
